CHILLY WILLY WEDNESDAY deadline has been extended until Tuesday, Jan. 30th. We will have a CHILLY WILLY FRIDAY this month!

Montini Catholic School has entered the Follett Challenge, a contest looking for the most innovative schools in the U.S and a chance to win a share of \$200,000!

With our new engineering program, virtual reality, smart boards and Future City teams, we couldn't pass up a chance like this!

If we win, our dreams will start becoming a reality by advancing our engineering program into one of the best!

Help us become the best by going to www.follettchallenge.com and voting for Montini Catholic School every day beginning Monday, January 22nd until Friday, January 26th.

With one simple click you are giving our current and future students the opportunity to harvest their creativity, advanced critical thinking, collaboration and communication skills.

Read A Thon
(Jan. 22-Feb. 2)

Fundraising through February 2nd!

**An IN-SCHOOL Fundraising
opportunity!**

Reading 10-30 minutes a day from Jan. 22nd- February 2nd

Goal: \$16,000 for WiFi, chromebooks and iPads

Minimum 5 Sponsors per reader

Welcome Parents, Students and Friends to our Read-a-thon!

This year, we are excited to announce that we will hold a Read-a-thon fundraiser. Our Read-a-thon is a program that brings students together with family and friends to encourage reading and to build literacy skills.

The main focus of the Read-a-thon is for everyone to know we are committed to improving reading skills. To that end, the Read-a-thon promises to be a fun, exciting journey for all participants as they begin a personal Reading Adventure that challenges each reader to complete 10 reading sessions over our 2-week event.

Here at Montini we strive to help our students learn the academic, social, spiritual, and emotional skills that are needed to become productive members of society. As a part of our ever-changing world, our students at Montini are in need of Chromebooks. Both schools have one computer lab that services our students, hosts our Technology and Digital Literacy classes, and acts as the knowledge base for our buildings. Our schools are in need of 25-30 Chromebooks/IPADS so our students can have continuous access to their projects on Google Docs, and alleviate the high-paced traffic in our computer lab.

Our Read-a-thon will start January 22, 2018.

We understand that, as parents, you have high expectations for the quality of your child's education but also have limited time. That is why we chose to hold a Read-a-thon. You will find this to be the easiest fundraiser possible.

By simply activating your reader's personal page and using the promotional tools found there, friends and family anywhere in the world can show their support for your reader by donating to our Read-a-thon. Businesses can also help support our literacy efforts, please email montinireadathon@gmail.com for more information.

Your involvement in the Read-a-thon will help your child develop a lasting love of reading. We hope each one of you will activate your child's personal page the day your child brings home their paperwork.

Please email montinireadathon@gmail.com with any questions,
